

Dear Neighbors,

We are a volunteer driven organization. Our activities are successful because of our many devoted volunteers. Whether you can contribute the occasional hour or two, or would like to get involved with multiple projects, we have the opportunity for you. The new 2015 Board of Directors will be announced soon: **There are still board and chairman positions available. Please consider occupying a position.**

Would anyone be interested in attending a meet-and-greet with our District 10 Councilman and staff? Do you have any questions for our area SAFFE officer? Do you have any suggestions for the new HOA Board of Directors? We can make this happen, we need to know that it is wanted and desired.

Mark your calendar for these important dates:

THIS Thursday, February 26th at Morgan's Wonderland Event Center there will be a public hearing for I-35 Corridor improvements from I-35/410 interchange to FM 3009. (The proposed Build Alternative would add four elevated managed lanes (two lanes in each direction) to the existing six to 10-lane road between I-410 South and 3009. These elevated lanes may "potentially" be toll-roads. PROPOSED improvements will indeed affect us since we reside within the zone.

Open House 5 – 6pm & Formal Presentation: 6pm

The City has invited us locals to attend a Pre-Construction Public Meeting on Tuesday, March 10th @ 6pm at the King of Kings Church on Dreamwood Drive.

The City is going to replace the existing bridge on Dreamwood Drive. (Near the Kenton & the Grand Apartments) **There will be a total closure of the street during construction.**

We strongly encourage you to attend! A reminder of this meeting will be posted on the neighborhood marquee.

The 2014 HOA/Pool Membership(s) will officially expire February 28th. All access cards will be deactivated. HOLD ON TO YOUR ACCESS CARD.

2015 HOA/Pool Membership Forms will be available soon. Existing access cards will be re-activated at the time of membership renewal. (Just in time for Spring Break!)

Lastly, there has been a white van trolling our neighborhood. There are known to be (3) occupants and they are claiming to be door-to-door sales people, but have resorted to suspicious selling tactics. (IE: heavy/hard banging on doors to gain home owners attention, late night soliciting, aggressiveness, etc.) These same solicitors have been seen in surrounding neighborhoods (up and down Naco) and home owners are reporting similar stories. A license plate number from said van was captured and reported. The license plate number is bogus and is registered to a sedan-car. PLEASE BE ON GUARD!

To those individual 'outgoing' board members: a sincere THANK YOU! Your time and dedication to our HOA and neighborhood is appreciated!
