

Woodstone / Larkspur January Newsletter

Thu, Jan 21, 2016 at 9:22 AM

Happy New Year Neighbors!

Dates, dates and more dates! There is a lot happening in our neck of the woods.

There is an open invitation to attend High Country's Neighborhood Meeting and COP Program.

Officer James McDonald, SAPD will be speaking at the meeting on January 25th at 7:00pm.

He will be discussing the purpose of the COP program (Citizen on Patrol). Please make plans to attend!

Location: High Country Clubhouse @ 16418 Cypress Park (Near Judson Rd & Stahl)

This is a program that we need and should be of interest to everyone! Please take this opportunity to get to meet your neighbors and be a part of keeping our neighborhood safe.

The 2015 WHOA Membership will expire Feb 29th. All member pool gate access cards will be deactivated at that time. Pool Memberships and HOA only memberships for 2016 will begin to roll out with "early bird" rate discounts in early March. No exact dates yet. The board will have to discuss and approve. With that said, there are board positions and committee chairman positions still open. Aside from the many feel-good reasons to volunteer and more importantly protecting property values, there are member incentives in place that will be beneficial come swim season! Contact us if you want to know more!

Next Monday, January 25th, the Northeast Neighborhood Alliance will be meeting at 7PM at the Tool Yard. Following in February is the District 10 Community Meeting on February 15th. Both meetings are a great way to get started on your New Year's resolution to get involved in your community.

On Tuesday, February 16th, the Tobin at Oakwell Library Branch is hosting a Meet the Mayor event. This is a great opportunity to ask questions of Mayor Taylor about city government, city services, and to voice your opinions on specific issues. Please plan on attending if you have subjects you would like to discuss with our Mayor.

Closer to home:

There was a report earlier this week regarding dogs (NOT friendly) running loose in the Larkspur area. (Larkdale and Larklair) The (2) dogs are large sized dogs, mostly white in color with brown spots. They must belong to someone in the area and have been seen roaming frequently. They tend to cut through alley ways in that area. Be on the lookout and be careful.

You are encouraged to join The NEXTDOOR community. Nextdoor is a location-based social network meant to connect neighbors. By signing up and giving your address you are placed in our neighborhood network of user and fellow neighbors who have also signed up. Currently Woodstone/Larkspur has 304 members! Many posts are “what’s happening in our neighborhood” real-time data such as: Power outages, lost and found pets, classifieds, notices and unfortunately crime reports.
